SALMA IBRAHIM ALHABIBI

INTERIOR DESIGNER | INTERIOR ARCHITECT | 3D VISUALIZER

Mansoura – 6thOctober, Egypt | +20 1552524163

Fintas, Kuwait | +965 60353615

PROFESSIONAL SUMMARY

Interior Designer and 3D Visualizer with experience in residential, commercial, and hospitality projects. Skilled in space planning, AutoCAD drawings, furniture layouts, material selection, 3D modeling, and photorealistic rendering. Proficient in AutoCAD, 3ds Max, and Corona Renderer, with experience across Classic, Neoclassical, Modern, Contemporary, Boho, etc. interiors.

PROFESSIONAL EXPERIENCE

Interior Designer & 3D Visualizer | MA20 Designs | *February 2025 – May 2026*

- Translated preliminary sketches into dimensioned AutoCAD floor plans and developed alternative furniture layouts for design approval.
- Developed interior concepts and key design solutions under senior supervision, translating approved layouts into detailed 3D models.
- Produced photorealistic renderings using 3ds Max and Corona Renderer, incorporating materials, textures, lighting, and interior detailing.
- Selected materials, finishes, and colors to align with project concepts; developed interior spaces and architectural elements, including entrances and facades.

Freelance Interior Designer & 3D Visualizer | Freelance | *2025 – Present*

- Develop residential design concepts, furniture layouts, material boards, and 3D visualizations based on project requirements.

Site Finishes Coordinator Intern | *Evento Designs* | *2023*

- Assisted with coordination of gypsum, flooring, electrical, plumbing, and wall-cladding works.

Site Training | *Cemart Company* | *2022*

EDUCATION

Bachelor of Fine Arts in Interior Architecture | Mansoura University | 2019–2024
Graduation Project: DIAHOPE Diabetes Medical Center — Interior Design | Grade: Excellent

AWARDS & LEADERSHIP

2nd Place, Mahally Award Product Design Competition (2025): Contributed to the DJED modular seating system through 3D modeling, dimensional drawings, mechanism research, and presentation development.

Sports Committee Leader, Student Union, Faculty of Fine Arts, Mansoura University — organized student football and basketball tournaments.

TECHNICAL SKILLS

Design: Space Planning, Concept Development, Furniture Layouts, Material & Finish Selection, Interior Detailing, Technical Drawings
Visualization: 3D Modeling, Photorealistic Rendering, Interior Visualization, Lighting, Materials & Textures
Software: AutoCAD, 3ds Max, Corona Renderer, Vray, Adobe Photoshop, Midjourney / AI Design Tools, Microsoft Office

COURSES & LANGUAGES

Courses: Studio 34 — Interior Design Studies | ITI — 3D Modeling | Arvil — 3D Interior Design
Languages: Arabic (Native) | English (Fluent; IELTS 6.5)
